Re: Open Records Request – Use of Aerial Drones, UAs, UAVs and UASs  
Our File No. 1075-13

Dear Mr. Musgrave:

The Department of Public Safety received your request for records regarding the aforementioned drones. A search for the requested records has been conducted.

In accordance with O.C.G.A. 50-18-70(d) of the Open Records Act, you are hereby notified that based on the information you provided, no responsive records were located. GSP does not use Aerial Drones, UAs, UAVs and UASs. However, in our search, we discovered that a demonstration of a miniature helicopter used to photograph law enforcement scenes was videotaped. I will send that video to you.

If we can be of further assistance, please feel free to contact our office.

Sincerely,

Pat Benson
